Booster President: Sharon Fuller \* Booster Treasurer: Faby Molina \* Tax ID# 27-2993898

I am a proud member of the Serrano High School Rattlesnake Regiment marching band. This program provides life-enhancing, character-building experiences derived from personal commitment, discipline, teamwork and athletic achievement. I would like to continue this award winning program and could use your help.

As you know, the state of education has seen many budget cuts. In particular, the arts are one of the first places looked at to trim the budget. We are quite fortunate to be attending in a school district that supports us but there are expenses that do fall on the responsibility of the Booster organization. Since our Boosters are a complete non-profit, we rely on fundraising, community and corporate support.

This season we have a goal of raising \$12,000. This covers costs such as competition fees, insurance, costumes, uniform needs, maintenance of trailers, etc.

We need your help! This year the marching band will be traveling to many competitions all over Southern California and hopefully, once again, make it to championships. In addition, we perform at community events throughout the year. We pay for and/or raise the money in order to make this all happen.

The amount you donate goes directly towards offsetting the cost and overall success of our program. Your generous donation is 100% tax deductible.
